FOR JOURNEYERS

The Journeyer Handbook

What to expect once you reach out to SINGAWE - at no cost, ever.

SINGAWE FOUNDATION NPC · YOUR JOURNEY. OUR COMMITMENT.

There is no wrong time to reach out

You do not need to have everything figured out first. SINGAWE Foundation NPC never charges an individual for access to mentorship, guidance or opportunity support.

What happens after you apply

- We read your details and, if you are under 18, we bring in a parent or guardian from the start.
- We name the barriers together - documents, funding, transport, confidence.
- You are matched with a Guide for structured, monthly contact.
- You apply for real opportunities prepared, with someone in your corner.

Your rights as a Journeyer

You may raise a concern at any time, in confidence, without it affecting your place in a programme. All Guides are screened. Contact happens through recorded, accountable channels.
