SINGAWE FOUNDATION NPC · YOUR JOURNEY. OUR COMMITMENT.

Screening, every time

Every Guide and representative is screened and briefed before being matched with a Journeyer. No exceptions.

Structured, recorded contact

Mentorship happens through accountable, recorded channels on a fixed schedule - never unsupervised private contact.

No cost, ever

Journeyers are never asked to pay for access to mentorship, guidance or opportunity support.

Confidential reporting

Concerns can be raised at any time, by anyone, in confidence, without affecting a Journeyer's place in a programme.

Charter-bound

All Guides and representatives are bound by the Foundation Charter and this safeguarding policy, overseen by our governance Stewards.
